

At Arya Kanya Mahavidyalya, Research and Development Cell organized a highly successful online National Workshop on "Role of IPR in Academia and Research" on March 26, 2025. The workshop aimed to create awareness about the importance of Intellectual Property Rights (IPR) in academia and research among faculty members, researchers, and students. Resource Person Mr. Prateek Shrivastava, a renowned expert in IPR, delivered a comprehensive and engaging presentation on the role of IPR in academia and research. The workshop featured interactive sessions, including Q&A and group discussions, which provided participants with opportunities to clarify their doubts and share their experiences.

The workshop achieved its objectives, with participants gaining a better understanding of IPR and its significance in academia and research. The workshop also provided a platform for participants to network and share their experiences. The workshop attracted an overwhelming response, with 411 participants attending the event from across the country.
